THE VILLAGE AT SKYLINE PINES SCIENCE FAIR

SATURDAY, MARCH 21ST

9:30 TO NOON

Your help is requested! Area middle school students are getting ready to compete in the High Plains Science Fair and are exhibiting here to become comfortable interacting with the public and answering questions about their exhibit. You simply need to let us know what three exhibits are the best in your opinion.

The teachers whose students participated last year found this so beneficial that they are excited about coming again. Please come be an active part of this year's event and assist the scientists of tomorrow with their competition preparation.

**Your family and friends
are welcome!**
