## Dining Room Social Distancing Practices

We appreciate everyone's efforts to follow the state recommendations for social distancing during meal times. Approximately a month ago, we rearranged the dining room so that there is more space between tables in an attempt to keep our 6 foot personal buffer. We are also asking that only two residents sit at each table. This is not an ideal situation but with all of us working together we will be able to enjoy time in the dining room while keeping everyone healthy.

Thank you for your cooperation!

## New Resident Welcome

*Each month we like to take a moment to welcome residents that have moved in since our last newsletter was printed. We hope that you will make many new friends and enjoy all the social opportunities available to you. We are delighted that you have chosen The Village At Skyline Pines as your home!*
