## SEPTEMBER

### COVID-19: HOW TO PROTECT YOURSELF

The best way to prevent illness is to avoid being exposed to this virus. Everyone should:

- Wash your hands often
- Avoid close contact
- Cover coughs and sneezes
- Clean and disinfect
- Monitor your health daily

Each month we like to take a moment to welcome residents that have moved in since our last newsletter was printed. We hope that you will make many new friends and enjoy all the social opportunities available to you. We are delighted you have chosen The Village at Skyline Pines as your home!

## SEPTEMBER "FUN FACT"

September comes from the Latin root "septem", meaning "seven," because in the Roman calendar September was the seventh month of the year rather than the ninth. The Romans believed that the month of September was looked after by the god of fire. Therefore, they expected fires, earthquakes and eruptions during this month.
